BRIEF ABSTRACT OF LETTER.

States that as the Civil file of the Hassan Munsiff's Court is still heavy, it is advisable to permit the Munsiff to attend to civil work only.

NOTES AND ORDERS.

As an experimental measure the Munsiff of Hassan amongst others was invested with magisterial powers by Govt proceedings no. J 1187 - 1227 / Ch 196-06-(8) 13-10-09

Last year a representation was made to Govt that the arrears in the Munsiff's Court was so large

that unless the munsiff was relieved of his magisterial work it would be impossible for him to clear off the arrears. Then the Govt in their proceedings no J 312-4-8 30-7-1910 C 6270-09-2 relieved the Munsiff of his magisterial powers - Now it is represented that the Civil bile of the Munsiff is very heavy and that the Munsiff should, in the interest of despatch of work and litigants, confine himself to civil work, at least for another year.

Registrar of the Chief Court of Mysore.

To,

C.S.Balasundaram Iyer Esqr,
Offg: Secretary to the Govt: of Mysore,
General and Revenue Departments.

Sir,

Adverting to the Proceedings of Government No. J.312-4 Cts. 270-09-2 dated 30th July 1910, directing that the Munsiff of Hassan be relieved of his magisterial duties temporarily for a period of one year, I am directed to state that the Civil file of the Munsiff is still heavy, the institutions of the last year being nearly 33 per cent over and above those of 1909-10. In the interests of despatch of work and of the Civil litigants, it is, in the opinion of the Chief Court, necessary that the Munsiff should pay undivided attention to Civil work.

The District Judge of Mysore, who recently inspected the Court of the said Munsiff, is also of opinion that for the present, at any rate, the Munsiff has more than enough of Civil

work

work to do and that it is undesirable to burden him with any Criminal work.

Under these circumstances, I am to request that the Munsiff may be permitted to confine himself to Civil work and not be asked to do any Criminal work for a further period of one year.

I have the honor to be,
Sir,
Your most obedient servant,

REGISTRAR.

Subject

Re. Magisterial work in the Hassan Munsiff's Court and Government O. J. 1187-1221 dt. 19-6-06

Sir 10

Adverting to Government Order No. 9 312-4 / As 270-09-2 dated 30th July 1910 and Government No. 9 1187-1227 / As 196-06-6 dated 13th October 1907, I have the honour to state that the period during which this court was relieved of criminal work expires in the beginning of August 1911 and to suggest the advisability of permantly relieving this court of criminal work, or, at least extending the time for a further period of one year and then making the relief permanent if the civil institutions do not show increase as in the past year. The figures quoted in the accompanying Statement will show that the institution of civil Cases last year has increased by nearly one-third over and above that in 1909-1910. From my experience here

11

here, I think that the congestion in civil work in this court during the past is partly accountable by the tacking on of criminal work. In the interests of litigants in civil cases, it is necessary that the work of this court should be confined to civil work only. Criminal cases of this District are very contested and the District Magistrate will bear me out in this matter. There were over 102 criminal cases filed in this court, during 1908-09. Criminal work dislocates civil work in more ways than one, and although I have no intention to lessen my work, I am of opinion that proper justice cannot be done to civil and criminal work, considering the number of civil cases etc

Continuance

IV

4

Continuance of criminal work might lead to arrears in civil as well as criminal work and I have been able only now to bring the pending civil file to the normal. I request that you will kindly represent to Government the desirability of excluding this Court from the experiment introduced in 1904 and I hope that the Chief Court will also support me in this matter

I have the honor to be,
